March Dinner

March 2, 2005 at 6 PM

The March meeting will be at Hyannis's newest restaurant The Island Merchant. They have just opened in place of the Prodigal Son. The restaurant is near the corner of Main and Ocean Streets in Hyannis.

The new owners Joe and Bev Dunn will be providing a buffet and beer special for dinner for CCLAM members. The price will be \$10 and it will be a great value for all those who attend.

There is a public parking lot just past The Island Merchant on the right hand side of Ocean Street for CCLAMs to use.

Please RSVP Chris Viens at chris-laura@comcast.net by this weekend.

Official Meeting Minutes
Wednesday, 2 February 2005, HyPort Brewing Company

Old Business

Yankee fans, Freddie Mitchell, people who don't pay for their big brews, and other lower forms of life...

If you are delinquent on **any** big brew payments, please get in touch with John as soon as possible. This money comes out of the club treasury and affects our ability to pay for trips.

Rollin', Rollin', Rollin', get those CCLAMS rollin'...

Be ready to commit to the 4 Squares pub crawl and the March meeting. The 4 square will be held Saturday, 26 March. Look for news from our new Events coordinator. (see new business)

Everyday I write the book...

Thanks to Steve Landry for volunteering several interesting titles to the club lending library. If you have any books you'd be willing to loan, contact Chris at chris-laura@comcast.net. Chris will provide a printed listing at the March meeting.

We're gonna need a bigger burner, part2

Carl promises to have a burner purchase update for the next meeting.

New Business

There are no victims, only volunteers...

Let's give a big cclams cheer to Dave Consalvi for volunteering to be the club's special events coordinator. Dave will be our Majordomo, Commandant and Chief Martinette in all matters relating to trips and other special events. Here's to you Dave, you poor bastard.

Wearing out our welcome...

Stay tuned for possible news about a new meeting location for the March meeting.

When 100 gallons isn't too much...

Bring style and recipe ideas for Big Brew to the March meeting. This year national homebrew day will be celebrated Saturday, 7 May. Jay will be coordinating demonstration all grain brews during the event. One can only pray he clears this with Dave. Stay tuned...

Upcoming opportunities for your education, edification and personal growth...

March Meeting: Kegging and draft systems

April Meeting: All Grain brewing.

Show-offs

Be sure to check out the link to Steve and Roger's brewing webpage on the CC Homebrew website.

When do we tell them about having to mow Adam's lawn?

Please welcome February's new members:

Andy Piccerllo, king of the home made keg-er-a-tor

Richard Lawrence, Andy Bauersock's brew partner

Mike Ellis, who we traded Tim to NH for...

Tim Rumberger, who actually showed up after the meeting

Modesty aside...

If you are an old, ah I mean senior member, and you still have Braggot in your beer cellar, please bring some to the March meeting for sampling.

Winning isn't everything, it's the only thing
