

Cape Cod Lager and Ale Makers

"Beer, if drank with moderation, softens the tempter, cheers the spirit, and promotes good health."

Thomas Jefferson

Official Meeting Minutes

Wednesday, 3 April 2007, Cape Cod Beer Brewery

Old Business

1. *Tee Shirt Update*

Tee-shirts are in and will be available at Big Brew.

2 *The Tale of the till...*

Please remember to bring cash or a check to Big Brew. The sooner we collect, the sooner we can pay Todd for ingredients. Please remember that if your name is on the list, you **are** on the hook to the club for the cost of a carboy. Please don't force us to send Rocco and Nunzio looking for you.

4. *Big Brew Saturday, 12 May*

Time & Place: 10 am, Cape Cod Beer brewery.

We'll be brewing the CLAM BOY award winning recipe.

New Business

1. *Summer Club Events...*

Chris and Jeff are willing to offer up their place again for a club cookout. A date can be finalized at the June meeting.

2. *Maine Brewer's Festival*

Horst brought this to our attention this Fall, apparently it's a wicked good time. Are we interested?

Saturday, Nov 3, 2007. Tickets go on sale August 1, 2007.

Check it out at www.mainebrew.com.

4. *A picture is worth a thousand words...*

Lest you think that your club officers were insensitive to your needs and concerns...

Hey Lads, Chris here,

I was hoping to reserve this space for a contribution from Horst. However, since I haven't heard from him, I've decided to run a contest.

Come up with the best caption or title for this picture...

...and Chris Viens will fill your growler with the Cape Cod Beer of your choice. Chris's lovely wife Laura will select the winner. To insure fairness, all entries will be kept secret and assigned a number prior to judging, similar to the process for the December club contest. Extra points will be awarded for the clever use of song or movie titles. Email your entry to chris-laura@comcast.net. Deadline for entrees is midnight, 31 May 2007. The winner will be announced at the June meeting. Void where prohibited. Special thanks to Carl Laman.

By the way, ***I'm too sexy for this beer*** has already been taken.
