November Big Brew

The Fall Big Brew will be at Carl's once again. Please be sure to bring a sanitized carboy marked to 5 gallons.

Price is set to \$35 (high price due to the high gravity, price is subject to change).

Everyone is asked to sign-up via email for a dish to share with the group. Simply reply to everyone who received the email so we all know what you'll be bringing.

Of course bring some beer. Carl's draft system is out of order so we'll expect to sample plenty Koelshes.

We'll also need napkins, paper plates, & utensils.

October 5, 2005 Meeting Minutes

*Who look on beer when it is brown,
Smack their lips and gulp it down
Leave the lads who tamely drink
With Gideon by the water brink,
But search the benches of the Plough,
The Tun, the Sun, the Spotted Cow,
For jolly rascal lads who pray,
Pewter in hand, at close of day,
"Teach me to live that I may fear
The grave as little as my beer."*

Old Business

Kickback's such an ugly word...

Don't forget to sign up (or re-up) for BYO through the club. You get 10 issues for \$24.95, half of which BYO sends back to the club treasury.

It's not a sentence, it's a vocation...redo

Election results (what a surprise)

An offer you can't refuse...

Make sure you pay up for summer big brew is you haven't done so already. Rocco and Nunzio know where you live...

New Business

The thrill of victory!

Congratulations to Jeff Morassi on his election as club events coordinator!

Brew big or go home...

Big Brew and November Meeting

The November meeting will be held during our 3rd Big Brew of 2005 on Saturday, 5 November at Carl's house. Start time is 9 am. Early risers are welcome, many hands make light work. We will be brewing a Strong Ale. Needless to say Dave Consalvi will be allowed nowhere near the grain mill. Bring food and beer to share.

The agony of defeat...

Mark calendars for the First Annual CCLAMS Open!

- o \$1 per entry (Adam's got to send that kid to college somehow)
- o The winner gets bragging rights, you picture on the CC Beer webpage and a nice beer stein.
- o 3 bottles or a growler per entry
- o Everyone tries every beer, one man one vote.
- o No big brew beer.

"...is that all it would take honey?"

Todd Marcus announces the sale of growlers of limited edition Cape Cod Beer. Growlers of Porter made especially to please Todd's lovely wife. On sale now!

That'll put hair on your ass!

Be sure to bring some bottles to big brew for a limited run of Super Imperial Almost, but not quite, Dunkle. Guaranteed to cross your eyes, curl your toes and make your testicles crawl back up into the lining of your stomach.

The Shirt off my back...

We've got 3 suggestions for a T-shirt slogan.

1. Everything's better after 1.060
2. Life Begins at 1.060
3. Whoever makes bad beer shall be sentenced to the dung heap!

...leave my wiener out of this...

Be sure to check out the Aquigrill's Oktoberfest menu beginning 12 October.
