CCLAM Calendar Year

October is the yearly anniversary of CCLAM. So what does that mean? It is when CCLAM collects dues and elects club officers.

With the recent departure of club Treasurer Tim Rosario there is a real need for some faithful members to step to a leadership or support role.

At the September meeting nominations will need to take place for the three officer positions: president, treasurer, and secretary. Only requirement to hold an office is that the individual be a dues paying member.

The other September business to be decided on at the next meeting will be approval of the dues amount presented by the executive officers to the membership.

August Cook Out

CCLAM produced 50g of Cranberry Cru at the August Cookout at Carl's home. The specific gravity of 1.065 was on target despite a few minor logistical snafus. But all went well in the end; we're homebrewers after all.

Two beers, Braggot and American Brown Ale, were

served on tap along a selection of Browns, IPAs and Cranberry Cru. Thanks to everyone who participated, especially Carl for hosting this event.

September Meeting

Meeting is at the Hyport in the back room.
