Cape Cod Beer still brewing at 720 Main Street After Hyport Brewing Company restaurant closes

Hyannis, MA – Cape Cod Beer is still brewing at its current location, after the Hyport Brewing Company Restaurant closed its door on Friday August 5th. Cape Cod Beer has been brewing at the 720 Main Street location since its inception in April of 2004. While Cape Cod Beer and the Hyport shared the same space, they were operated as different businesses under the same roof.

"There has been lots of confusion in regards to the Hyport and Cape Cod Beer working out of the same space. We just want people to know that were still here, brewing great local beer." explains Todd Marcus, owner and Brewmaster of Cape Cod Beer. "We're sad to see the Hyport close. We were involved with the restaurant for many years, before there ever was a Cape Cod Beer." With the building/restaurant currently for sale, Cape Cod Beer will remain in operation at this location for the time being. "Given the overwhelming response to our product, we are currently seeking out a larger space to allow us to grow capacity to meet local demand." adds Marcus

Cape Cod Beer is Cape Cod's only microbrewery, located at 720 Main Street, Hyannis, Massachusetts, with beer on tap at 35 restaurants and bars in the Mid Cape area. Cape Cod Beer is also available in 64 oz refillable bottles (called growlers), available at the brewery and local liquor stores including: Parker's Discount Liquors, The Wine List, Cotuit Liquors, Harney's at Ring Brothers and the Liquor Warehouse. Cape Cod Beer produces two standard offerings: Cape Cod Red and Cape Cod IPA, plus seasonal favorites such as Berry Merry Christmas Ale, Spiced Red Ale, Stellwagen Stout, and Cape Cod Summer.
